The Younguns Freestyle Tour is open to any paddlers who are aged 18 and under on January 1st 2019. We aim to encourage new paddlers into the sport in a safe and friendly environment. The only thing you need is a reasonable white water roll and a lot of energy and enthusiasm! Furthermore parents are free to join their child on the water throughout the day.

This year, we will give you FREE entry if you bring a friend along to enter the competition if they have never paddled in a previous Younguns event! They too will get FREE entry.
